

Community Services

Alcohol and Drug

Department Summary

This program plans and coordinates alcohol and drug treatment services within the community and services are provided through contracts with several local treatment agencies that focus on Medicaid and low-income persons. Treatment services include sub-acute detoxification, assessment, referral, outpatient treatment, case management, drug testing and monitoring, crisis services, recovery services, inpatient placement and specialty court services. Funds received for treatments and program administration include a state contract with the Department of Social and Health Services and 2% of the State Formula for distribution of Excess Liquor Profits and Taxes received by Clark County and cities within Clark County. The department is working on integrating Alcohol/Drug services within Mental Health through various programs serving the co-occurring population. The Prevention services and funding portion of the contract are included in the Family and Youth Resources budget.

Children's Mental Health Project

Department Summary

The Department of Community Services is the recipient of a five-year grant totaling \$6,496,700 from the Substance Abuse and Mental Health Services Administration (SAMHSA) Center for Mental Health Services (CMHS). The purpose of the grant is to establish a sustainable, comprehensive service delivery infrastructure for children and adolescents with serious emotional disturbance and their families. The Center of this delivery system is the Children's System of Care Policy Council which has senior representation from all major child-serving systems, as well as parent advocates. The overall goal of these developments is to link the participating service systems with common outcomes, shared information systems, shared resources, strengthened community support, a rigorous evaluation and an integrated case management system.

DCS Central Administration

Department Summary

The Administration/MIS/Contract/Finance Unit ensures grant accountability standards within the department. The unit provides for centralized accounting, client service data reporting, fiscal reporting, contract and grants management support for all DCS programs. As DCS is primarily a grant funded department, this unit also provides technical support to other county departments who receive federal and state grants.

During 2007-08 this unit will merge with the administrative unit of the Clark County Department of Public Health. This consolidation of administrative services for the two county departments will work toward maximizing the knowledge base of both units and improving effectiveness for the administration of their combined federal and state funding.
